About the Directory

This Directory was prepared by members of Sierra Health Council using data from <http://www.MyCommunityNM.org>. My Community NM is the State's only **bilingual, on-line resource directory**. And includes information about

- Health
- Social service
- Legal
- Transportation
- Recreation
- Advocacy

We are a collaborative project that is supported by a growing list of community partners who are passionate about providing up to date resource information to their constituencies.

As a Partner in MyCommunityNM, Sierra Health Council works to be sure that all Sierra County services are included in the database and that the information is up-to-date. Community contacts for the project are:
